**RE: DES Wetlands Bureau Complaint File #2005-668, Brulotte, 73 Ham Road, New Durham Tax Map 11 / Lot 27D**

Dear Sherri & David Brulotte:

On August 8, 2006, personnel from the Department of Environmental Services ("DES") conducted an inspection of the above referenced property. The purpose of the inspection was to determine compliance with RSA 482-A, the NH Wetlands Law.

As a result of this inspection, it was determined that the deficiencies described in the DES letter of January 20, 2006 have been corrected. At this time the restoration area is stabilized and the silt fence may be removed. DES will close its enforcement file regarding the Property. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact me at (603) 559-1514 or e-mail me at [dprice@des.state.nh.us](mailto:dprice@des.state.nh.us).

Sincerely,

*David Price*
